** Definition of parcel : delivered by postman or courier (with waybill)

** When we receive the parcels/cargo, we just count # of outer boxes or packages only, without checking detail items or counting inner boxes!!

** Limited by your room or /and storage capacity : if we judge the parcel or cargo couldn't be placed in the room or/and storage, we will not receive the parcel or cargo.

** Cargo receiver must be the licensee of the License Agreement

** Mails, parcel receiver could be the licensee in the office or virtual office or storage License Agreement or the registered 2 contact person of service office unit (1 contact person or the paid 2nd or 3rd contact person of virtual office service)

** Handling charges are subject to change without prior notice!!
